

# Monashee Top Ten Music Challenge 2011

The Monashee Music Makers have come up with two lists of “top 10” songs for you to learn and sing with your units: one for Sparks & Brownies, and another for Guides & older. When you have completed the challenge, contact Julie Thomson, Monashee Area Program Adviser, at [program@monasheegirlguides.com](mailto:program@monasheegirlguides.com) for your FREE crests. We have several colours available, so you can choose which colour you would like your group to work on this year (pink, orange, blue, green, red, yellow, purple) – limited quantities available, so colour selection depends on supplies available at the time of order.

You can find most of these songbooks (with the exception of the Campfire Activities book, as it is no longer available) through the [Online Store](#). In addition, I have created links on these lists so you can find these songs online (in case you don't have access to the books).
